“FIVE EXPECTATIONS” OF THE YEAR OF CONSECRATED LIFE:

1. To be a 'happy' religious, who discovers 'perfect joy' in total self-giving
2. To be a 'radical prophet' who can 'wake up the world'
3. To be an 'expert in communion', who can make the spirituality of communion a reality
4. To be a 'daring religious', who can go forth to proclaim the Good News
5. To be a 'seeking religious' who can respond to the questions God and people would ask
